

## **BENDIX TRANSPORT DANMARK A/S ACQUIRES 51% OF JUNGE SPEDITION AS OF MARCH 1st 2026**

As of March 1<sup>st</sup> 2026, Bendix Transport Danmark A/S has acquired 51% of Junge Spedition ApS.

Junge Spedition, founded by Benny Junge in 1976, is recognized for its high level of service within GDP warehousing, pick and pack, and the transport of radioactive pharmaceuticals. The company will continue as an independent entity, with Maria Junge serving as Director of Pharma and Warehousing in Hvidovre and Benny Junge continuing as Senior Consultant.

Bendix Transport traces its roots back to 1902 and is today a 100% employee-owned company known for its strong service platform within air freight, sea freight, road transport and project transport. The group also includes Containerland Danmark, specialists in the sale and leasing of all types of containers.

Bendix Transport will relocate to Hammerholmen 44, 2650 Hvidovre, sharing headquarters with Junge Spedition. In addition, Bendix Transport operates an office and a 6,000 m<sup>2</sup> warehouse facility in Taulov, 7000 Fredericia. Together, Junge Spedition and Bendix Transport employ approximately 50 highly qualified employees nationwide.

The two companies have maintained a close and strong partnership for many years and know each other well. By joining forces under one roof, they further strengthen their position and are able to offer customers and partners even more competitive and flexible solutions within:

Logistics – Warehousing – GDP warehousing – Transport of pharmaceuticals and radioactive substances – Road transport – Air freight – Sea freight and project transport – always focusing on the client
