

TO WHOM IT MAY CONCERN

**BENDIX TRANSPORT TAKE OVER ALL ACCTIVITIES FROM
CARGO 2000 A/S TRANSPORT**

Cargo 2000, known for their high service on road freight to and from England, Finland and Norway has decided to hand over its activities to Bendix Transport.

Cargo 2000 have chosen Bendix Transport to be sure that clients and other business associates also in the future will have a strong, competent and innovative business partner capable of maintaining the Cargo 2000 focus on quality.

The agreement will be effective as from 1. February 2025.

Georges Hinninger, Casper Rasmussen and Morten Kruse Møller all continue at Bendix Transport and will be responsible for our joint UK, Finland and Norway traffics. Bendix Transport will be looking forward to welcoming George, Casper and Morten.

The base for Cargo 2000's activities will be Bendix Transport Danmark A/S, Jernholmen 39, DK-2650 Hvidovre.

The staff of Bendix Transport will then count appr. 50 well qualified individuals in Denmark.

The broader platform will enable us to offer clients, partners and other business associates even more competitive local and global solutions in areas of

Logistics . Warehousing . Land Transport . Airfreight/IATA . Seafreight
focusing on the client

Yours faithfully,

Bendix Transport Danmark A/S
